**WHEN YOUR PROJECT IS BEING DONE**

You are required to post the enclosed "APPROVED PROJECT" sheet in a prominent place on the front of your house. You have forty five (45) days to complete your project from the date approved by the AC. When the project is complete it is your responsibility to call the Management Company and inform them that you have completed your project and then you can remove the "APPROVED PROJECT" sheet from your house and dispose of it properly. Thank you for complying with the Rules and Regulations of the Architectural Committee, your cooperation keeps our community a nice place to live.
